MEMORANDUM FOR : Director of Central Intelligence

SUBJECT : Inspector General's Survey of
EE Division

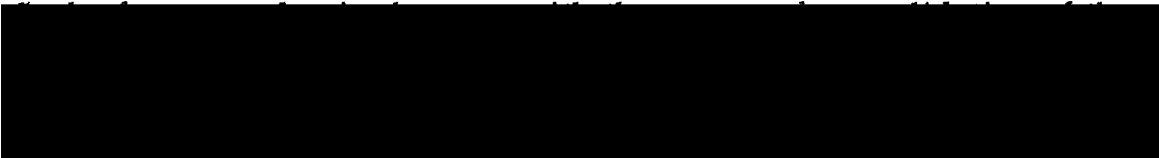

REFERENCE : Memorandum for DCI from IG
dated 20 May 1955, Subject: Survey
of EE Division, DD/P

1. This is in response to your memorandum of 18 June 1955 directing that the recommendations contained in reference Survey be implemented and/or commented upon.

2. This Survey has been carefully studied by the appropriate components of DD/P, and we set forth below their consolidated views on the pertinent portions of the paper.

3. Sixty-seven (67) of the major recommendations of referenced Survey are summarized in twenty-eight (28) paragraphs (titled Recommendations) in the front of the Survey, and fifty-four (54) additional recommendations are dispersed in the body of the Survey, making a total of one hundred twenty-one (121) recommendations. Fourteen (14) of these require implementation outside the Clandestine Services. The majority of the remaining one hundred seven (107) recommendations have already been implemented or are in the process of implementation. A number of the recommendations appear to have been inspired by developments already in process.
